LURLINE LATE; 4:30 TOMORROW

Nearly 12 hours late, the Matson steamer Lurline will not arrive off port until 4:30 tomorrow afternoon instead of at daylight, according to a wireless received by Castle & Cooke today.

Capt. Arthur L. Soule in his wireless this morning reported that strong southerly winds and head seas were delaying the Lurline. There are 41 cabin and two steerage passengers; 119 packages of express matter and 6527 tons for Honolulu.

The principal items in the steamer's cargo for Honolulu as given in his wireless report today are:

Automobiles, 20; mules, 27; hay, two lots, 1748 and 1213 bales; flour, 6500 sacks; ponies, 16; sheep, 4; box shooks, 7378 bundles; cement, three lots, 2197, 6360 and 7067 bags; fertilizer, 4785 pieces; castings, one 4-ton, one 5-ton; rails, 500; lumber, 35,448 feet of nine; bricks, 36,000.

Kahului cargo is 1447 tons, including a horse and 6004 bags of cement. The Lurline will dock at Pier 15 about 5 o'clock tomorrow afternoon.

RECENTLY ARRIVED STOWAWAY IS FOUND SECRETED IN POMMERN

Found crouching in the forecastle of the big refugee German merchant steamer Pommern at 9 o'clock last night by one of the soldiers guarding the vessel, Carl Kosler, or Kressler, was arrested and turned over to U. S. Marshal J. J. Smiddy. Later he was removed to the immigration station with the other sailors for detention.

Of special significance is the fact that the German when found was within a few feet of the control rod reaching down from the forecastle to a sea-cock in the forepeak of the Pommern. Had he been able to open the cock by turning the rod the freighter could have been sunk at the pier.

Kosler is the same man who arrived as a stowaway on the Oceanic liner Sierra from San Francisco October 23 and was put ashore here.

According to the story he told Harbor Officer A. E. Carter at the time, he had been employed by the German consulate in Sydney as a "runner" and had been imprisoned in a German detention camp there until he became sick and was sent to a hospital.

The man was given a job here aboard the Pommern a few days later.

SONOMA WILL BE HERE AT 8 A. M.

A steamer received today by the shipping department of C. Brewer & Company, Ltd., the local Oceanic liner Sonoma will arrive off port at 8 o'clock tomorrow morning from San Francisco.

It is presumed she may have met some rough weather, as the hour of her arrival is an hour and a half later than schedule. The liner will dock at Pier 6 and leave at 6 o'clock tomorrow night for Pago-Pago and Sydney, taking the next mail for American Samoa and Australia.

Passengers aboard the Sonoma for Honolulu are much more than usual, 149. There are 779 sacks of mail, 819 tons of general cargo and 14 tons of express matter for Honolulu.

STOWAWAY TAKEN ON TO MAINLAND

Deciding to take him on to San Francisco for further investigation, the federal authorities here gave orders to Capt. Carleton of the U. S. army transport Sheridan to keep George Kraft, a German or Hollander stowaway who stowed away at Manila on board the transport and to turn him over to the immigration station there.

The Sheridan left at 5 p. m. Sunday. Kraft was held in detention here on the vessel all day Sunday. He is believed to be another German consular attache such as the one who arrived in San Francisco as a stowaway on the transport Logan in January and there produced credentials showing him to be an official of the German government. He was released, but if Kraft tries the same stunt he may be held as a prisoner of war.

The Sheridan's stowaway, dressed in a soldier's uniform, went on at Manila. He told officers of the transport on Sunday that he started from Batavia, Java. Kraft had plenty of money, 1055 Philippine pesos and \$235 gold being found on him. His papers show he traveled extensively in British India, particularly Penang and Singapore.

article published recently in connection with its comment on the speech of Amosador Gerard before the American Association of Trade and Commerce. It must always be recalled, says the writer, "to the German 'Yankee haters' that their standpoint is legally wrong. The Hague convention distinctly permits neutrals to make deliveries of ammunition, and Germany's representatives at this convention expressly opposed changing this clause."

SHERIDAN GOES ON TO 'FRISCO

Taking 21 first cabin, 28 second and 250 steerage passengers from Honolulu, the transport Sheridan, Capt. William A. Arnold, resumed her voyage to San Francisco at 5 o'clock Sunday afternoon. She had arrived in the morning from Manila and Nagasaki.

Passengers disembarking here from Manila included Mr. and Mrs. C. Hendrix, a Philippine insular employee; Col. William E. Tucker, U. S. A., retired, and Passed Assistant Surgeon, William Anwin, U. S. A., with Mrs. Anwin and family.

Work of discharging and loading the vessel was rushed by stevedores at the request of the depot quartermaster's office.

The office expected the transport Logan to leave San Francisco today for this port, Guam and Manila. She is due to arrive February 13.

The German or Hollander stowaway, George Kraft, was taken on to San Francisco for investigation. He stowed away at Manila.

SHINYO TO SAIL AT 9 TOMORROW

Bringing 18 first cabin, 8 second and 250 steerage passengers to Honolulu the T. K. K. turbine Shinyo Maru, Capt. S. Togo, arrived this morning from Yokohama, half a day ahead of time and will steam for San Francisco from Pier 7 at 9 o'clock tomorrow morning taking the next mail, which will close at the postoffice at 7:30 a. m.

A lovely voyage was reported by Purser J. P. Bourne and Dr. F. Bass, the Shinyo's surgeon. There was one case of measles and one of chickenpox among the steerage, the surgeon vaccinating everyone in the steerage.

Through passengers on the liner are 143 first cabin, 59 second and 249 steerage. Cargo brought to Honolulu was 1400 tons. Chief Steward J. J. Richards reported all kinds of social events on the voyage over, including moonlight dances, a cabaret show and other stunts.

FOR THOSE WHO SUFFER PAIN IN STOMACH, BACK OR JOINTS

(By Samuel Hamilton, M. D.) In recent years investigation by means of X-rays, the observations of scientists such as Cannon, Grutzner, Pavlov, Fowler, Hawk, prove that an abundance of water is necessary in good bodily housekeeping. To drink a pint of hot water before meals is good practice, and those suffering from a catarrhal condition of the stomach will find benefit in adding about 10 grains (one-sixth of a level teaspoonful) of baking-soda, drinking it an hour before each meal.

If your kidneys are sick, or you suffer with lumbago or rheumatism at times, pain in the back or back of the neck, take a little Anuric before meals. Anuric (double strength) can be found at any good drug store, and was first discovered by Dr. Pierce of the Surgical Institute in Buffalo, N. Y.

When run-down, when life indoors has brought about a stagnant condition in the circulation—most everyone is filled with uric acid—especially is this so of people past middle age. This uric acid in the blood often causes rheumatism, lumbago, swelling of hands or feet, or a bag-like condition under the eyes. Backache, frequent urination or the pains and stiffness of the joints and high blood-pressure are also often noticed. Everyone should drink plenty of pure water and exercise in the open air as much as possible. I have found that Anuric is an antidote for this uric acid poison and that it will dissolve the accumulation of uric acid in the body much as hot water dissolves sugar.—Adv.

RID STOMACH OF GASES, SOURNESS, AND INDIGESTION

"Pape's Diapepsin" Ends All Stomach Distress in Five Minutes

You don't want a slow remedy when your stomach is bad—or an ulcerant one—or a harmful one—your stomach is too valuable; you mustn't injure it with drastic drugs.

Pape's Diapepsin is noted for its speed in giving relief; its harmlessness; its certain unflinching action in regulating sick, sour, gassy stomachs. Its millions of cures in indigestion, dyspepsia, gastritis and other stomach troubles has made it famous the world over.

Keep this perfect stomach doctor in your home—keep it handy—get a large fifty-cent case from any drug store and then if anyone should eat something which doesn't agree with them; if what they eat lays like lead, ferments and sours and forms gas; causes headache, dizziness and nausea; eructations of acid and undigested food—remember as soon as Pape's Diapepsin comes in contact with the stomach all such distress vanishes. Its promptness, certainty and ease in overcoming the worst stomach disorders is a revelation to those who try it.—Adv.
